

# LABORATORIO

Se ha aplicado float en varios elementos de nuestro html, lograremos la siguiente vista:

The screenshot shows a website with a header, a main content area with floating elements, and a footer.

- Header:** A dark grey bar at the top with a camera logo and the word "logo" on the left, and navigation links "inicio servicios contacto login" on the right.
- Content Area:** The main content is divided into several sections:
  - A green section containing a small image of a camera and the text "Empresa, desde el comienzo".
  - A green section containing a map from Google Maps showing a location near "Av. Corrientes" and "M Florida".
  - A pink section containing a photograph of a person's hands holding a stack of Polaroid photos.
  - A light blue section containing a large amount of placeholder text ("Lorem ipsum dolor sit amet, consectetur adipisicing elit. ...").
- Footer:** A dark grey footer bar at the bottom with the text "de Mapas Términos de uso".
